Cc: Dave Palermo - Vice President

Tracey Simpson – Treasurer

Virginia Wilson - Secretary

Ed Hoffner – Member at Large

To all Eagle Rock Homeowners:

This past Tuesday, the new Eagle Rock HOA Board held its first meeting. Listed above are your Board Members...

The meeting was one that got immediately to the task of setting up process to:

- 1) Enable each Homeowner to be able to stay on top (Transparency) of what we are trying to do for our community...2) To look over the budgets and how our money was being spent to include bid processes...and if we can improve on the spending... 3) Addressing varied topics that have direct impact on the safety of our community....

One thing that is being worked on, currently, is to set up a an Eagle Rock web site and email system where you can log in to view what is happening in our community....certainly, you will be able to offer positive/constructive suggestions/ideas of interest to our community...that can be shown/outlined on our community website....more will be coming on this matter.

Knowing that you may have issues...or ideas on how to improve our community, we will have an email hot line for you to communicate directly to all of the members of the board....and you will get a response to every question/problem/suggestion that gets sent in to us. Keep in mind...we are not magicians...only people who want to help....and at the end of the day all our efforts will be to improve our community.

The Eagle Rock HOA Board
